## Instructions for Change of Beneficiary Request – Page 1

**The beneficiary designation will remain unchanged until the properly completed form is received and acknowledged in writing at our Home Office.**

- If a change of beneficiary is desired on more than one certificate, a separate form should be completed for each certificate.
- Designate beneficiary(ies) by selecting the check box next to the appropriate category(ies) and then complete requested information.
- This change of beneficiary form, once acknowledged, will automatically revoke all prior beneficiary designations. Therefore, even if a principal or contingent beneficiary is to remain, such beneficiary must be renamed on this form.
- The owner/applicant completing this form **cannot** specify how a beneficiary is to use the proceeds.
- The proceeds for minor beneficiaries are held by the Society until they attain legal age, unless a court-appointed guardian of the minor's estate properly requests payment prior to that time.
- **Beneficiaries** for a minor Insured **must always have an insurable interest** in the life of the child. Insurable interest is when an individual is responsible either in whole or in part for the care and welfare of the child. A parent or a grandparent is automatically assumed to have an insurable interest in the child's life.
- **Named Individuals:** When naming individual beneficiaries, print the full names of the desired principal and contingent beneficiaries, their addresses, their relationships to the Insured, dates of birth and Social Security numbers. Proceeds will be paid equally to the surviving principal beneficiaries unless otherwise indicated. The proceeds will be paid to the person(s) named in the contingent beneficiary section only if no principal beneficiary survives the Insured. If additional space is needed, attach a signed and dated sheet. **Note:** This space may also be used to name corporations, businesses, or charitable organizations. Include address, city, state and taxpayer ID if applicable.
- **Class Designations:** When designating a class of beneficiaries, i.e. lawful children, print the name and address of each person in the class who is presently living in the box below. If additional space is needed, attach a signed and dated sheet. This information may assist in identifying and locating beneficiaries; however, class members entitled to receive benefits will be comprised of any and all class members who survive the Insured.
- **Trust (Inter Vivos Living Trust):** The trust must be in effect at the time the beneficiary designation is completed. It is necessary to furnish the name of the trust, the date the trust was executed, who executed it, and the name of the trustee(s). A final beneficiary must be named to receive the proceeds if the trust is not properly qualified or fails to make claim within 120 days from the date of death.
- **Trust under Insured's Will (Testamentary Trust):** The proceeds paid to the trustee named in the Insured's Last Will and Testament. A final beneficiary must be named to receive the proceeds if the trust is not properly qualified or fails to make claim within 120 days from the date of death.
- **Method of Settlement.** All or part of the proceeds may be left with Modern Woodmen under a settlement option. If Deposit at Interest or any Other Optional Method of Settlement is selected and a principal beneficiary (payee) is eligible to receive payment but dies before any of the proceeds have been paid, then, unless otherwise provided, the proceeds will be paid to any then surviving principal beneficiaries; if none, to any then surviving contingent beneficiaries; if none, in one sum to the estate of the payee. If One Sum is selected and a beneficiary is eligible to receive payment but dies before any of the proceeds have been paid, then, unless otherwise specified, the proceeds will be paid in one sum to the beneficiary's estate. Deposit at Interest may not be selected for a tax qualified certificate, such as an IRA.
- **Signature Required.** The person having legal control of the certificate should sign the beneficiary change request using his or her full name. All signatures must be original.
- **Date.** The application should be dated with the month, day and year it is signed.
- **Witness.** The signature should be witnessed by an adult other than one named as a beneficiary.
- **Questions:** Please contact your Modern Woodmen Representative or our Home Office at 1-800-447-9811.

<b>INSTRUCTIONS:</b> If a class designation was chosen as your beneficiary, please fill out the name and address of each person in the class who is presently living.
